## Aurora \& Atmore Plastic Stacking Chairs

## The Aurora \& Atmore are modern four-leg stackable plastic chairs.

## Key Features

Environmentally friendly, the Aurora \& Atmore use fewer materials than any others in their class Functional in their appearance the chairs offer complete strength and durability. They have a weight capacity of 120 kg , but are lightweight to carry. Fully washable and easy to clean with no parts to maintain.

- Stackable - Aurora up to 6, Atmore up to 21
- Fully washable and easy to clean
- Non-absorbent, resulting in no dirt build up
- Fully recyclable
- A linking device option is available for Atmore which enables the chairs to be securely linked together
- 19 stone/120kg
