

Aurora Plastic Stacking Chairs

The Aurora is a modern four-leg stackable plastic chair.

Key Features

Environmentally friendly, the Aurora uses fewer materials than any others in it's class. Functional in it's appearance the chairs offer complete strength and durability. They have a weight capacity of 120kg, but are lightweight to carry. Fully washable and easy to clean with no parts to maintain.

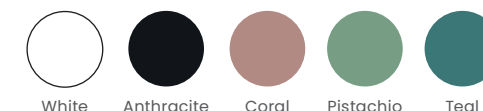

- Stackable up to 6 high
- Fully washable and easy to clean
- Non-absorbent, resulting in no dirt build up
- Fully recyclable

Colours

Although every effort is made to ensure that the product supplied matches the colours on this page, variations may occur due to limitations in printing processes.

Aurora
