Domus

Electric reclining hospital patient chair with hidden castors and blue pressure care seat cushion

The Domus incorporates a modern design and clean lines, perfect for staff rooms and making patients feel at home. The recliner features fully upholstered sides, backrest, seat and leg rest, the high backrest provides optimal comfort and support. This model comes with pressure care, which supports patients seated for long periods or patients at risk of pressure sores, and braked, hidden housekeeping castors allowing easy movement for cleaning.
