

Brittany Fully Reclining Blood Sampling Chair

Our fixed height Brittany blood sampling chair is similar in its design to the Le Mans, but at an economical price point.

Key Features

Exceptional in its quality and designed to deliver comfort and reassurance to patients and clinicians. Equipped with safe anti-slip armrests that adjust in height and rake to provide the ideal position for blood taking. The chair can also be fully reclined to a flat position in an emergency.

- Antimicrobial vinyl to aid infection control
- Supplied on individual locking castors for ease of moving
- Equipped with safe anti-slip polyurethane, wipe clean armrests that adjust in height and direction to provide the ideal position for blood taking
- Gas strut assisted backrest operation
-  31 stone/200kg

Colour Options

Available in a choice of colours, see the Classic Range on page 208.

Tomato Fuchsia Saphyr Dark Grey Platinum
