

**curaCARE® CA1901**

# Colorado

Manual wide arm reclining hospital patient armchair

Colorado features classic ergonomics that we know work well for comfort, we have also incorporated a curved back support and wider arms, making this recliner perfect for patients who require a cannula.

Ideal for oncology, dialysis, haematology, infusion, and recovery areas.

## DIMENSIONS

|                         |                    |                         |                             |                                    |                                     |
