# Equala® Seating

High-back 2-seat beam, with centre arm, one seat bariatric

This high-back Equala visitor beam comes with one standard and one bariatric seat. It offers supportive, comfortable seating for visitor and waiting areas.

Equala is robust in construction, with a kick-back leg design which stops the chair back from contacting the walls. A hygiene gap between the backrest and seat cushion for easy cleaning and sturdy, supportive, easy-access arms.
