# Aurora

Plastic Stacking Chair — multipurpose four leg stacking chair with arms

Designed for both indoor and outdoor environments, the Aurora is a modern four-leg stacking chair. Distinctive in looks, the Aurora chair model can stack up to 6 chairs high. This healthcare furniture option is available in an array of colours to suit multifunctional environments and can match decorative features to blend in or stand out as reception seating or bedside chairs. The Aurora is also available with or without arms, resulting in the ultimate plastic hospital chair.
