Soft Seating – single seat armchair, high backrest

Tulsa has come to the forefront as a piece of healthcare furniture that ticks all the boxes. This waiting area and reception seating option is available in three different back heights to provide a relaxed and collective seating solution. Designed to have less of a clinical feel and more of a comfort style, creating a certain sense of warmth, the Tulsa patient and visitor chair is a chair which makes you feel like you’re in a space which is a home away from home.
