

curaTASK® CA43226S6D

Clinicart Open

Trolley, Standard height, double width, with 6 shallow and 6 deep trays

Designed for safe storage and transportation of hospital supplies. The frame is welded together for premium quality with sturdy plastic runners to ensure durability and longevity. With enclosed sides and a removable plastic top, these trolleys can be cleaned with ease. Optional dividers and a range of accessories are available to customise the trolley to the user's needs.
