## Key Features

The lockable trolley provides five drawers for storage where items are kept safe through its central locking system. The trolley can be customised to the user's needs with a range of dividers and accessories. Complete with a pull out tray to increase the work surface for ease of use.

It is also available in a low height, four-drawer option.

Both versions are supplied on 100mm castors, two of which are braked and one is directional for easier movement.

- One-piece moulded worktop with slightly raised edges
- Lockable drawers
- Easy clean
- Dividers not included
