

curaTASK® CA444I

Clinicart Secure Slimline

Emergency resus trolley with locking bar and 100 seals, 4 drawer, red

Designed with resuscitation requirements in mind, our Resus trolley is perfect for emergency situations. Robust in construction, our resus trolleys come equipped with a full-length locking bar with individually numbered plastic seals to ensure security. Drawer dividers and a range of accessories are available to customise the trolley to the user's specific needs. Also, there is a one-piece moulded worktop with slightly raised edges and a pull-out side tray to increase work surface space.
