# Clinicart Secure Slimline

Hospital trolley, standard height

The Clini-Cart® slimline trolley is a desirable choice for areas where space is limited. The lockable trolley provides five storage drawers where items are kept safe through its central locking system. The medical trolley can be customised to the user's needs with a range of dividers and accessories. Complete with a pull-out tray to increase work surface for ease of use. Supplied on 100mm castors, two of which are braked and one is directional.
