# Clinicart Secure Slimline

## Phlebotomy trolley

Following extensive research with healthcare professionals, this option has been introduced into our Clini-Cart® range. The slimline phlebotomy trolley comes equipped with a sharps bin holder as standard to facilitate blood collection. This medical trolley is a desirable choice for areas where space is limited. The lockable trolley provides ample size drawers for storage where items are kept safe through its central locking system. The trolley is complete with a pull-out tray to increase work surface for ease of use.
