and 2 x 200mm deep ABS baskets

Clini-Store® Lockable High-Density Mobile Storage

- Single E Cart with Tambour Door

If you are looking for secure, movable storage cabinets for your medical equipment and consumables, our Clini-Store® high-density mobile storage is the answer.

Key Features

Choose the Clini-Store® lockable high-density mobile storage if you require a flexible and versatile storage solution that can be easily moved and reconfigured to suit changing needs. With zero melamine (wood) used in the construction, it's lightweight IP&C compliant design is market leading and will mean your storage areas are at the forefront of modern healthcare provision. A comprehensive selection of sizes, door types and tray modules mean the options for personalisation are almost endless.

- Integral bumper to protect your facility and the cart
- Lightweight
- IP&C compliant - no wood
- Mobile storage is flexible and versatile as needs change
- Key locking system
- 1830mm high efficient storage
- Washable
