

Clini-Store® Static or Mobile 4-Shelf Unit

Clini-Store static or mobile – the only shelving you will ever need. For easy-clean medical shelving in either stationary units with an unbelievable capacity of up 1000kg per unit, or mobile with a capacity of 250kg per unit, you need look no further.

CSS185CD100
Clini-Store static 4-shelf unit on adjustable feet, 450x1000mm, 250kg per shelf capacity

CSS185FS145
Clini-Store mobile 4-shelf unit on lockable castors, 600x1450mm, 250kg total capacity

Key Features

Our Clini-Store® static or mobile shelving has been designed in response to requests for a simple range of strong, easy to clean medical shelving, that is easily adjustable without tools. With a staggering 1000kg capacity on the stationary units, your facility can store anything from heavy containers of dialysate solution to lightweight yet bulky medical consumables.

- Extremely durable
- Multiple sizes to suit your space and the items being stored
- Join other units together to create continuous storage space or island units
- Adjustable feet or lockable castor wheels
- Lightweight
- Easy to clean
- Labelling solutions for easy stock-management
- Ability to combine shelves and ISO6040 storage modules in the same unit

 Stationary units up to 1000kg capacity

 Mobile units up to 250kg capacity
