Seat Height	500mm
Height	1345mm

### BE1108/BE1109

Height	1345-1545mm
Seat Height	500-700mm

## Key Features

Innovative in its design and pleasing to the eye, the Deneo is exceptionally popular amongst our blood sampling range.

Used predominantly in an upright manner, the chair also has a reclining function allowing the operator to tilt the chair back on the curved mountings, laying the patient back in one smooth movement. Fitted with phlebotomy armrests and flush fitted handholds as standard.

- Antimicrobial vinyl to aid infection control
- Optional 360 degree rotation on both base types
- Choice of static or castor base
- Space-saving design
- As standard, this chair has highly adjustable phlebotomy armrests – directional, height and angle adjustable to get the perfect position for the patient
-  31 stone/200kg

## Colour Options

Available in a choice of colours, see the Classic Range on page 208.

Tomato Fuchsia Saphyr Dark Grey Platinum

## Ordering Information

When ordering, quote the product code and add the colour as a suffix, i.e. (Code)**Tomato**.
