## Key Features

The Equala® seating range offers additional levels of support for the back and shoulders. The Equala® is robust in construction, with a kick-back leg design which stops the chair back from contacting the walls. There is a hygiene gap between the backrest and seat cushion for easy cleaning and sturdy, supportive, easy access arms.

Kick-back leg

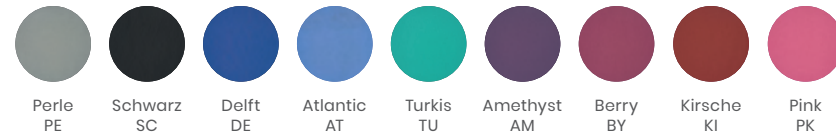

Hygiene gap

- Easy to clean antimicrobial vinyl to aid infection control
- Easy access polyurethane arms which are easy to clean and robust in construction
- Easy entry/exit arm
- Equala® is carbon neutral – we offset Equala® carbon emissions by annual tree planting
-  32 stone/204kg  
47 stone/300kg for bariatric models

## Colour Options

Our nine most popular colours are below, however these chairs are also available in the full Valencia range shown on page 206.
