

Handa Theatre Chairs and Operator Stools

The extensive Handa range offers a seamless solution to theatre and operator staff with focus on ensuring they are perfect for sterile environments.

Handa Theatre Stool as seen on BBC Documentary
Surgeons: At the Edge of Life

Key Features

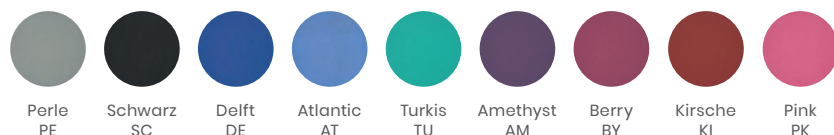

The Handa range of stools and chairs include the choice of round or ergonomic seats, two different styles of adjustable backrests and supportive adjustable armrests. The padded tilting backrest provides excellent support which aids good postural structure during procedures. The castors are soft braked as standard.

- Easy to clean antimicrobial vinyl to aid infection control

-  19 stone/120kg

Colour Options

Our nine most popular colours are below, however these chairs are also available in the full Valencia range shown on page 206.
