

# Munich Deluxe ENT Ophthalmic Chair

Providing years of satisfaction and comfort, the Munich has proved to be an outstanding treatment chair with our technicians in the areas of ENT and ophthalmology.

BE1167

BE1169

BE1166  
Fully reclined position

## Key Features

The tilt-back armrests allow for easy patient access, with the height function adjusted electronically via use of foot controls. Movement of the backrest, leg rest and footrest is synchronised by a gas assisted lever which is fitted as standard. Electric options are available with optional drop down mobile castor base, allowing for easier chair movement.

- Antimicrobial vinyl to aid infection control
- Fold-out footrest as standard to provide extra comfort and support for the patient
- Includes lockable rotation
- Adjustable from upright to fully reclined position
- Easy to adjust headrest
- Compact base

-  31 stone/200kg

## Colour Options

Available in a wide range of colours, from our Valencia range, these can be found on page 206.

## Ordering Information

When ordering, quote the product code and add the colour code as a suffix, i.e. (Code)**AT** for Atlantic.
