Opti-Lite Staff Furniture

Opti-lite has fluid curves and soft edges making for a relaxed contemporary seating range that is ideal for waiting, relaxing or meeting environments. Opti-lite has been designed and manufactured to allow you to individually specify materials to create a different aesthetic using one design.

Key Features

The solid beech turned legs continue the fluid design, providing a strong durable frame for the hardest of contract environments. With a wide range of colour options available this range can be built to suit any area's needs.

- Easy to clean antimicrobial vinyl to aid infection control
- Relaxed one piece shell design to create comfort, with each range having a soft memory foam feel within the seat
- With three options available in the range and a table, different styles can be purchased together to fit a space of any size
-  19 stone/120kg per seat
