Key Features

Utilising space effectively, the compact chair transforms from a comfortable armchair to a pull-out bed with ease.

- In two simple movements the chair transforms from a chair to a bed, saving vital space when not in use
- Ergonomically designed with deep foam cushions to ensure good rest for hardworking staff, recovering patients and tired visitors
- Heavy-duty lockable castors system for ease of moving
- Easy to clean antimicrobial vinyl to aid infection control
-  23.5 stone/150kg
