

Tulsa Soft Seating

With the growth in open and breakout areas within hospital environments and the lean towards contemporary seating styles, the Tulsa has come to the forefront as a piece of healthcare furniture that ticks all the boxes.

Key Features

Designed to have less of a clinical feel and more of a comfort style, creating a certain sense of warmth, the Tulsa is a chair which makes you feel like you're in a space which is a home away from home. Available in a range of armchairs with a matching two seater sofa.

- Easy to clean antimicrobial vinyl to aid infection control
- Two-tone vinyl colour is available but adds 10% surcharge
- There are three backrest height options to suit the range of patient heights

Colour Options

Our nine most popular colours are below, however these chairs are also available in the full Valencia range shown on page 206.
