

Ultrasound Couch

Comprised of three sections, our ultrasound couch has a long backrest to facilitate ultrasound examinations.

Additional Dimensions

Key Features

The electric height-adjustable feature allows the couch to be positioned easily allowing for a low entry height for the patient and a comfortable position for the clinician to work at. The electrically operated tilt facility enables enhanced patient positioning.

- Easy to clean antimicrobial vinyl to aid infection control
- Retractable castors to allow easy movement of couch when unoccupied
- Low starting height for easy access and tilting seat
- Gas spring assisted backrest and leg section
-  41 stone/260kg

Colour Options

Available in a choice of colours, see Couch range on page 209.

Mid Blue Beige Ash Grey Sky Blue Black Damson
