

Vaila Beam Seating

“The beam seating in several different colours has given us the opportunity to help patients know they are waiting in the correct areas”

Key Features

The steel chair frame supports an upholstered seat and back with contoured CMHR cushions. Available in banks from two to five seats, upholstered in a choice of fabrics and antimicrobial vinyl.

- Freestanding or floor fixing options
- Metal beam fabricated ERW steel tube with powder coated finish
- Armrests can be positioned on ends and between the seats
-  25 stone/160kg per seat
