

## COMPACT OVERBED TABLES

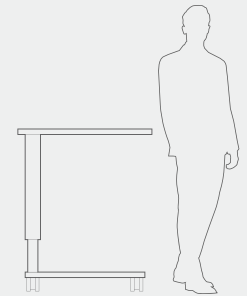

Designed with our standard overbed features in mind, the Compact overbed table is the perfect solution for environments where space saving is a key factor. The top measuring at 600mm x 425mm is capable of taking a food tray and small electronic equipment with 33% space saving, compared to our standard table.

### Key facts:

- Height-adjustable hydraulic mechanism for easy table positioning
- Quality castors
- Easy clean
